 - d. Improve - identify performance gaps and improvement opportunities and adjust our approach as required.
- (8) Each stage of CQI is carried out with reference to:
 - a. the University's strategic plan
 - b. the [Higher Education Threshold Standards](#) and other external requirements
 - c. accepted good practice and external benchmarks

- d. stakeholder views
- e. assessments of risk.

(9) Key institutional mechanisms which are integrated into the University's CQI cycle are as follows:

a. Plan

- i. The University's broad strategic directions are set out in the University's strategic plan which informs planning across the University at all levels.

b. Implement

- i. Strategies and actions to achieve the goals in the strategic plan are outlined in:
 - the University's implementation plan and cascading plans for Executive portfolios, organisational units and individual members of staff
 - committee annual business schedules and action plans.
- ii. University policies and procedures provide a framework that supports the implementation of strategies and actions.
- iii. The University implements compliance measures in accordance with the [Compliance Management policy](#) to ensure that strategies and actions to achieve its goals comply with legislative, regulatory and reporting obligations.

c. Review

- i. Performance against the University's implementation plan is monitored and regular progress reports are provided to Council.
- ii. Key performance data is monitored regularly by the Executive, committees and organisational units to inform decision-making.
- iii. Scheduled quality reviews of organisational units and areas of activity are conducted and acted upon by the University in accordance with the [Reviews procedure](#).
- iv. Internal audits and other audit activities are carried out in accordance with the Internal Audit [Policy](#) and [Procedure](#).
- v. Reviews of risk assessments are conducted in accordance with the [Risk Management policy](#).
- vi. Annual and five-yearly reviews of courses are conducted by faculties and institutes in accordance with the [Higher Education Courses Approval and Review procedure](#).
- vii. Coursework units and teaching are evaluated regularly in accordance with the [Evaluation of Teaching and Units procedure](#).
- viii. The performance of Strategic Research Centres with reference to agreed plans is reviewed three-yearly.
- ix. The outcomes of institutional or thematic reviews conducted by external agencies (including the [Tertiary Education Quality and Standards Agency](#)) are monitored and inform the development of quality improvement action plans.
- x. Formal benchmarking projects are carried out in priority areas as considered appropriate.

d. Improve

- i. The University's implementation plan and cascading implementation plans are revised annually with reference to the outcomes of review processes.
- ii. Action plans to implement improvements identified through internal review activities are developed and progress is monitored in accordance with relevant procedures.

Responsibilities

(10) Quality management is the responsibility of all organisational units and all staff.

(11) The Academic Board is responsible to University Council for providing quality assurance in respect of academic activities as specified in [Council Regulations](#) and the [Academic Board Regulations](#).

(12) The Deputy Vice-Chancellor Education ensures that strategies and activities are in place to enhance quality management and ensure compliance with the requirements of the [Tertiary Education Quality and Standards Act 2011](#) across the University.

(13) Responsibilities for managing other mechanisms for assuring and improving quality are included in relevant policies and procedures.

Section 5 - Procedure

(14) The following procedures document how to comply with this Policy:

- a. [Reviews procedure](#)
- b. [Surveys procedure](#).
