

# University-owned Business and Domain Names policy

## Section 1 - Preamble

(1) This Policy is effective from 13 October 2022.

## Section 2 - Purpose

(2) This Policy enables the efficient registration of University-owned business and domain names.

## Section 3 - Scope

(3) This Policy applies University-wide.

## Section 4 - Policy

(4) The University will register its business names and register and host its domain names in a manner that will ensure:

- a. that the proposed activities are consistent with Deakin's objectives set out in the [Deakin University Act 2009 \(Vic\)](#).
- b. that the proposed activities are compatible with the University's values and core commitments.
- c. that the proposed activities comply with relevant legislation and University policies.
- d. that the host websites are secure, and the University's data is protected.

(5) The University will control the registration of all University-owned business and domain names and assigning of subdomain names.

(6) The University will determine the host websites for the University-owned domain names and subdomain names.

## Section 5 - Procedure

(7) The [Registration of University-owned Business Names procedure](#) and the [Registration of University-owned Domain Names procedure](#) document how to comply with this Policy.

## Section 6 - Definitions

(8) There are no definitions arising under this Policy.
